MAD MEN

Description:

Set in 1960s New York, the sexy, stylized and provocative AMC drama Mad Men follows the lives of the ruthlessly competitive men and women of Madison Avenue advertising, an ego-driven world where key players make an art of the sell.

The series revolves around the conflicted world of Don Draper (Hamm), the biggest ad man (and ladies man) in the business, and his colleagues at the Sterling Cooper Advertising Agency. As Don makes the plays in the boardroom and the bedroom, he struggles to stay a step ahead of the rapidly changing times and the young executives nipping at his heels. The series also depicts authentically the roles of men and women in this era while exploring the true human nature beneath the guise of 1960s traditional family values. (AMC)

"This sleek, sexy, smartly cynical drama about selling everything from cigarettes to Nixon also nails the era's attitudes of casual prejudice and sexual manipulation."

TV Guide

"Mad Men' is one of the sharpest, most entertaining new series of an incredibly crowded summer TV season."

Matt Roush, TV Guide
